WE HAVE EXCITING NEWS!

We are pleased to announce our new collaboration with Raynor Garage Doors. This partnership combines Raynor's esteemed products with SHAARS's commitment to delivering exceptional sale & customer service outside the United States. Our objective is to ensure the timely and efficient delivery of Raynor's high-quality residential & commercial garage doors to our international customers.

Capt. Shahid Naseer, President of SHAARS International Inc. has over 25 years of experience working with international customers and exporting products globally with over 13 years as the President & CEO of SHAARS.

Over the years, we have built a profile of quality "Made in USA" products & a robust logistics network with our customer service team, to ensure timely and efficient delivery of our products worldwide. SHAARS International Inc. & Raynor have a strong history of collaboration that has paved the way for our current partnership. Capt.

Shahid Naseer, previously managed Raynor's international sales and logistics for 7 years in the past. We successfully worked together on several projects, demonstrating our ability to combine resources and expertise to achieve common goals. This experience has built a foundation of trust and mutual respect, making our current collaboration even more promising. We look forward to working with all the current and potential Raynor customers outside of the USA. Together, we will achieve success!
