

Product Specification **G-Chill**

TM

1. Purpose

G-Chill™ is intended for stressed horses that can have gastric ulcers. It contains the natural, active serotonin precursors for mood & composure support you'll find in SynChill Daily™, plus the high-potency plant extracts & vitamins that make up GastroMend™, the premium equine stomach health supplement.

2. Feeding Instructions/Product Description

Feed one (1) level scoop daily, or feed 2-4 hours prior to stressful events. (Adjust from ½ to 2 scoops to fit your horse's needs.) G-Chill™ pellets are palatable and may be hand-fed or topdressed on feed. G-Chill™ pellets are green/greenish-brown with a slightly sweet aroma. Pellet size may vary.

3. Caution

Use only as directed. G-Chill™ is a dietary supplement for use in horses only. It has not been tested in pregnant or lactating mares. It is not intended for human consumption. This product should not be given to animals intended for human consumption. **KEEP OUT OF REACH OF CHILDREN.**

*This statement has not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

4. Storage Conditions & Shelf Life

For maximum freshness, store sealed in a cool, dry environment. Utilize product within two years from the date of manufacture for optimal quality and performance.
