

## Product Specification

# GastroMend® XC

### 1. Purpose

GastroMend® XC contains natural ingredients that support gut health and appetite. It is the drug-free choice for gastric ulcer management and overall gut health.

### 2. Feeding Instructions/Product Description

For best results, give one (1) level scoop two times (2x) per day by top dressing feed. Horses with poor appetite may require initial administration by dose syringe for a few days until appetite returns. GastroMend® XC is a brown powder.

### 3. Caution

KEEP OUT OF REACH OF CHILDREN. There are no known cautions or contraindications for use of this product. Safe for long-term use. GastroMend® XC has not been tested in pregnant or lactating mares. No adverse effects have been reported. In case of allergic reaction, discontinue use immediately. This product should not be given to animals intended for human consumption. Use only as directed.

\*This statement has not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

### 4. Storage Conditions & Shelf Life

For maximum freshness, store sealed in a cool, dry environment. Utilize product within two years from the date of manufacture for optimal quality and performance.
