

## Product Specification

# RedoxEq™

### 1. Purpose

RedoxEq™ provides metabolic support for horses with elevated GGT.

### 2. Feeding Instructions/Product Description

Feed one scoop (23.5g) daily for an adult horse at approximately 1000 lb. Top dress the feed or administer with a palatable liquid using a dose syringe. Allow 1-2 weeks for accumulation before competition. RedoxEq™ is a reddish colored powder.

### 3. Caution

KEEP OUT OF REACH OF CHILDREN. There are no known interactions or contraindications for this product. No adverse effects have been reported. In the case of allergic reaction to this product, discontinue use immediately. RedoxEq™ is a dietary supplement for use in horses only. This product has not been tested in pregnant or lactating mares. This product is not intended for human consumption. Use only as directed.

\*This statement has not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

### 4. Storage Conditions & Shelf Life

For maximum freshness, stores sealed in a cool, dry environment. Utilize product within two years from the date of manufacture for optimal quality and performance.
