

## Product Specification

# SynChill Daily

### 1. Purpose

SynChill Daily is intended for mood and composure support for horses.

### 2. Feeding Instructions/Product Description

One scoop (17g) 2-4 hours prior to stressful events (2 hours is recommended). Adjust from ½ to 2 scoops to fit your horse's needs. SynChill Daily pellets are palatable and may be hand-fed or top-dressed on feed. SynChill Daily pellets are green/greenish brown with a slightly sweet aroma. Pellet size may vary.

### 3. Caution

Use only as directed. SynChill Daily is a dietary supplement for use in horses only. It has not been tested in pregnant or lactating mares. It is not intended for human consumption. This product should not be given to animals intended for human consumption. KEEP OUT OF REACH OF CHILDREN.

\*This statement has not been evaluated by the food and drug administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

### 4. Storage Conditions & Shelf Life

For maximum freshness, stores sealed in a cool, dry environment. Utilize products within two years from the date of manufacture for optimal quality and performance.
